Presidents Message

As I write this, our region is being buffeted by strong winds ahead of the first cold front of winter. After one of the driest periods on record over the past two years, it is an oddly comforting sound. Good summer rains, an early start and wet seeding have been a welcome change. While there is much uncertainty in the world, the season has provided our farming and wider community with some certainty that the year ahead will be a positive one.

Another certainty is that the Crystal Brook Show will once again be a fantastic day out for all ages. We are delighted to welcome South Australian Grain Producer of the Year and Fat Farmers co-founder Ben Wundersitz to officially open this year's Show.

A major new attraction in 2026 is the Ag Learning Centre, proudly supported by Rabobank. This interactive space will give visitors the opportunity to get hands-on with agriculture and animals, including a blade shearing demonstration showcasing how sheep were shorn before mechanisation. We are also proud to announce the Show as a Connecting Communities event sponsored by the Department of Primary Industries and Regions through the Family and Business Support Program as part of the \$97 million Drought Support Package.

Returning favourites include Dinkum Dinos with an all-new show, the mechanical bull, Bumbles the Clown, Kemmy Trail Bags, oversized games, a giant sandpit, petting zoo, giant bubbles and live music throughout the day.

There are also several exciting updates to our exhibitor sections, including a new Encouragement Ring for Horses in Action, a \$500 Most Points prize in Grain and Fodder, and the largest Led Steer prize pool in the Show's history, exceeding \$8,000.

I would like to thank the North Western Agricultural Society committee, our convenors, volunteers, members and exhibitors for their continued commitment to making the Show possible. While the people behind the Show may change from year to year, their dedication remains constant. We sincerely thank those moving on and welcome the new volunteers stepping into these important roles. Together with the talent and enthusiasm of our community, they help ensure the Show continues to thrive, with pavilion and livestock entries consistently exceeding 2,000 each year.

Finally, thank you to our sponsors, particularly our Platinum Sponsors — Kerin Agencies, Bunge and Pacific Blue — and to everyone who contributes their time, resources and support. Every contribution helps deliver another successful Crystal Brook Show.

I look forward to seeing you all at the 147th Crystal Brook Show.

How to Enter the Crystal Brook Show

Key Dates, Office Times & How to Enter the Show

Whether you're entering your best sponge cake, prize chook, painting, or broccoli — we've made the entry process as simple as possible with **Showday Online**. Here's everything you need to know to get started:

How to Enter the Show – Step-by-Step

1. Create or Log In to Your Showday Online Account

Head to the [Crystal Brook Show website](#) and select [How to Show](#). Set up your Showday Online account (or log in if you already have one).

2. Choose Your Sections and Classes

Browse all the categories — from cooking and craft to livestock and produce — and select the classes you want to enter.

3. Fill Out Your Entry Details

Double-check your information, especially your name, contact details, and age if you're entering a junior class.

4. Buy Your Show Tickets

Everyone attending the Show (including exhibitors) must have a valid entry ticket. You can purchase tickets while entering online.

*Bonus tip: Pre-purchase your **Kemmy Red Trail Bag** for just \$5 — the best way to explore the whole Show!*

5. Pay Your Entry Fees

Complete your payment securely through Showday Online. Entries won't be accepted without payment.

Note: Most junior sections are free to enter!

6. Check Your Email

After submitting, you'll receive a confirmation email (don't forget to check your junk/spam folder). Once accepted, you'll receive another email with your exhibit cards or digital entry ticket.

Important Tips for a Smooth Entry

- **Entry closing dates apply!** Check your section and enter early to avoid missing out.
- As per Show regulations, a **maximum of three entries per person per class** is permitted, unless otherwise specified.
- Before entering, take a moment to **review the conditions of entry for your section**. These often include helpful hints, tips, and guidelines that can give your entry the best chance of success. It'll also tell you delivery times and display rules.
- **Print and attach your exhibit cards** (if required) before dropping off your entries.
- Need help? The **Documents and Downloads** tab on Showday Online has guides, and there's even a helpful [how-to video](#).

Encouraging School, Junior & Community Entries

The Crystal Brook Show is for everyone. We encourage entries from people of all ages, abilities and backgrounds, and invite everyone to have a go. Whether you're exhibiting artwork, craft, baking, produce, photography, livestock or something entirely unique, there's a place for you in the Show.

Taking part is a great way to build confidence, showcase creativity and be part of a long-standing community tradition. Entrants, carers, teachers and parents are asked to check the age groups carefully in each section, as many classes offer age-specific categories and prizes.

If you're unsure where your entry fits, or have questions about participating, please get in touch. We are committed to making the Show as inclusive as possible and will be happy to work with you to find the most suitable section.

Most importantly—have a go. We'd love to see your entry.

Then we'd love you to enter our Junior Showperson competition!

We're looking for young people who are willing to have a go, have some fun, and enjoy being involved in the Show.

You don't need to be a public speaker or grow up on a farm — just come along, be yourself, and share a little bit about who you are. Entrants will answer a few easy questions on stage about themselves, the Show, and what they enjoy about living in our region.

Whether you help in the garden, love animals, enjoy sport, or simply love being part of the community, we'd love to see you involved.

So put on your favourite outfit, bring your smile, and come give it a go — you might even surprise yourself!

750 The Family Time Capsule

Time capsules are created to commemorate an event or to capture a moment for the future. Family time capsules intended to be placed in the home and opened on a significant date!

Gather your family together for some quality time and get to know each other even better as you embark on the family time capsule project.

Each child from the family can get created with their own unique capsule and design. Add a list of the capsule's contents to the outside of the capsule as capsules will be judged on their design, decoration and what contents are inside. Judges will not view the contents inside the capsule.

Write letters, to each other, your future self and future family member, record current events, family stories, photos, the list is endless!
